AXE OF THE GALLOPING HEADSMAN

Weapon (Battleaxe), Rare (+1), Very Rare (+2), or Legendary (+3) (Requires Attunement)

You gain a bonus to attack and damage rolls made with this magic weapon, determined by its rarity.

Fiery Smite (Rare+). This axe deals an extra 1d6 fire damage on a hit. If the target is a creature that damaged you since the end of your last turn, the extra damage increases to 1d10.

Mark of Guilt (Very Rare+). When you hit a creature with this axe, you can mark it for punishment (no action required). While marked, you always know the direction and distance to the creature. If the creature leaves the plane of existence, you know which plane it has traveled to. The mark ends early if you use this property again or if the creature dies.

Sense Guilt (Very Rare+). As a bonus action, you can hold the blade of the axe to a creature's neck (if it has one). The target must succeed on a Charisma saving throw (DC 16 + the axe's bonus) or reveal something it feels guilty about. Once you use this property, the target is immune to it for 24 hours.

Dark Binding (Legendary). Once during your turn, when you hit a creature with the axe, you can use a bonus action to force the target to make a DC 19 Strength saving throw. On a failed save, the target is paralyzed and prone until the start of your next turn. If its body shape allows it, the target kneels and presents its neck.

Executioner's Blade (Legendary). When you attack a prone creature with the axe, you score a critical hit on a roll of 19 or 20. On a critical hit, the axe deals an extra 3d6 fire damage, and if the creature is left with 20 or fewer hit points after taking this damage, it must succeed on a DC 10 Constitution saving throw or die.

BANJO OF OL' JERICHO STICKS

Wondrous Item, Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While holding the banjo, you can use it as a spellcasting focus for your spells. You gain a bonus to spell attack rolls, your spell save DC, and Charisma (Performance) checks, determined by its rarity.

Fiendish Lure (Rare+). As an action, you can target one fiend or humanoid that you can see within 60 feet of you. The target must make a Wisdom saving throw (DC = 16 + the banjo's bonus). On a failed save, the target is charmed by you for 1 minute (ignoring a demon's immunity). The condition ends early if you or your allies deal damage to the target or force it to make a saving throw. Once a creature is charmed by this property, it can't be used again until the next dusk.

Scarecrow's Dance (Rare+). As a bonus action, you can strum the banjo and dance wildly to take the Disengage action. The music is audible within 120 feet.

Join in the Dance (Very Rare+). When you use Scarecrow's Dance, one creature of your choice within 15 feet of you can use its reaction to move up to half its speed without provoking opportunity attacks.

Birdcage (Legendary). As an action, you can target a creature charmed by you and force it to make a DC 19 Charisma saving throw. On a failed save, the target disappears and is trapped inside the banjo for up to 24 hours. The banjo can contain only one creature at a time in this way. On a successful save, the charmed condition ends on the target.

BELL OF THE DUSK MOTHER

Wondrous Item, Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While holding the bell, you can use it as a spellcasting focus for your spells. You also gain a bonus to spell attack rolls and your spell save DC, determined by its rarity.

Dolorous Tolling (Rare+). As an action, you can ring the bell, producing an ominous tolling. Each creature of your choice in a 30-foot-radius sphere centered on you must succeed on a Wisdom saving throw (DC = 16 + the bell's bonus) or take 3d10 psychic damage and subtract 1d4 from attack rolls and saving throws for 1 minute. Once you use this property, you can't use it again until the next dusk.

Call of the Bell (Very Rare+). As a bonus action, you summon a doll made of wood, clay, or stone (use the **Animated Armor** stat block) in an unoccupied space within 10 feet of you. The doll obeys your commands and takes its turn immediately after yours. The doll lasts for 10 minutes, until it dies, or until you use this property again. Once you use this property, you can't use it again until the next dusk.

Death Knell (Legendary). As an action, you can ring the bell, creating a loud clang. Each creature within a 30-foot radius originating from you that has half its hit points or fewer must make a DC 19 Constitution saving throw. On a failed save, a creature takes 5d10 necrotic damage. On a successful save, it takes half as much damage. If a creature fails the saving throw by 5 or more, it drops to 0 hit points. Once you use this property, you can't use it again until the next dusk.

BLUNDERBUSS OF THE GRINNING SINNER

Weapon (Musket), Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While holding the blunderbuss, you can use it as a spellcasting focus for your spells. You gain a bonus to attack and damage rolls made with this magic weapon, determined by its rarity. The blunderbuss ignores the loading property and produces its own magical ammunition, which deals necrotic damage on a hit.

Jinxshot (Rare+). When you take the Attack action on your turn, you can replace one of your attacks with a blast from the blunderbuss. Each creature in a 30-foot cone must make a Dexterity saving throw (DC 16 + the weapon's bonus). On a failed save, a creature takes 2d4 necrotic damage (Rare) or 3d6 necrotic damage (Very Rare+). On a successful save, a creature takes half as much damage.

Sinner's Jinx (Very Rare+). Once during your turn, when you damage a creature with the blunderbuss, the target must make a Charisma saving throw (DC 16 + the weapon's bonus). On a failed save, the creature is cursed for 1 minute. While cursed, the creature subtracts 1d4 from attack rolls, ability checks, and saving throws. The curse ends early if this property is used on another creature.

Luck Taker (Legendary). When a creature cursed by this weapon that you can see within 60 feet of you makes an attack roll, ability check, or saving throw, and rolls a 19 or 20, you can use your reaction to mimic its luck. The next time you make an attack roll, ability check, or saving throw within 1 minute, you can replace your roll with the triggering roll.

CANE OF PHILLIP DRUSKENVALD

Rod, Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While holding the cane, you can use it as a spellcasting focus for your spells. You gain a bonus to your spell attack rolls and spell save DC, determined by its rarity.

Eldritch Glutton (Rare+). When you succeed on a saving throw against a spell that targets only you, you can use your reaction to consume the spell and store its energy in the cane. The spell has no effect on you. As an action, you can absorb the stored energy to either regain an expended spell slot that is at least one level lower than the triggering spell or gain temporary hit points equal to three times the spell's level. If the cane already holds stored energy, the previous energy is lost when a new spell is absorbed. Once the cane absorbs a spell, this property can't be used again until the next dusk.

Allure of Sin (Very Rare+). You can cast the *Dominate Person* spell (save DC = 16 + the cane's bonus) from the cane. Once a creature is charmed by the spell, this property can't be used again until the next dusk.

Sin-Binder's Call (Legendary). As an action, you can summon three **Hell Hounds**, one **Incubus**, or one **Succubus**. They appear in unoccupied spaces you can see within 30 feet of you, obey your commands, and act immediately after your turn. After 10 minutes, they stop obeying your commands. Treat their attitude toward you as indifferent or friendly if you treated them well, otherwise they are hostile. Once this property is used, it can't be used again until the next dusk.

CAULDRON OF THE VERMINTOLL COVEN

Wondrous Item, Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While holding the cauldron, you can use it as a spellcasting focus for your spells. You also gain a bonus to all saving throws, determined by its rarity.

Size Change (Rare+). You can change the cauldron's size from Tiny to Medium or from Medium to Tiny. Changing its size takes 1 minute. When Tiny, the cauldron weighs 1 pound. When Medium, it weighs 80 pounds, and it sprouts small legs that give it a walking speed of 20 feet. While it is Medium, you can mentally command the cauldron to move during your turn (no action required).

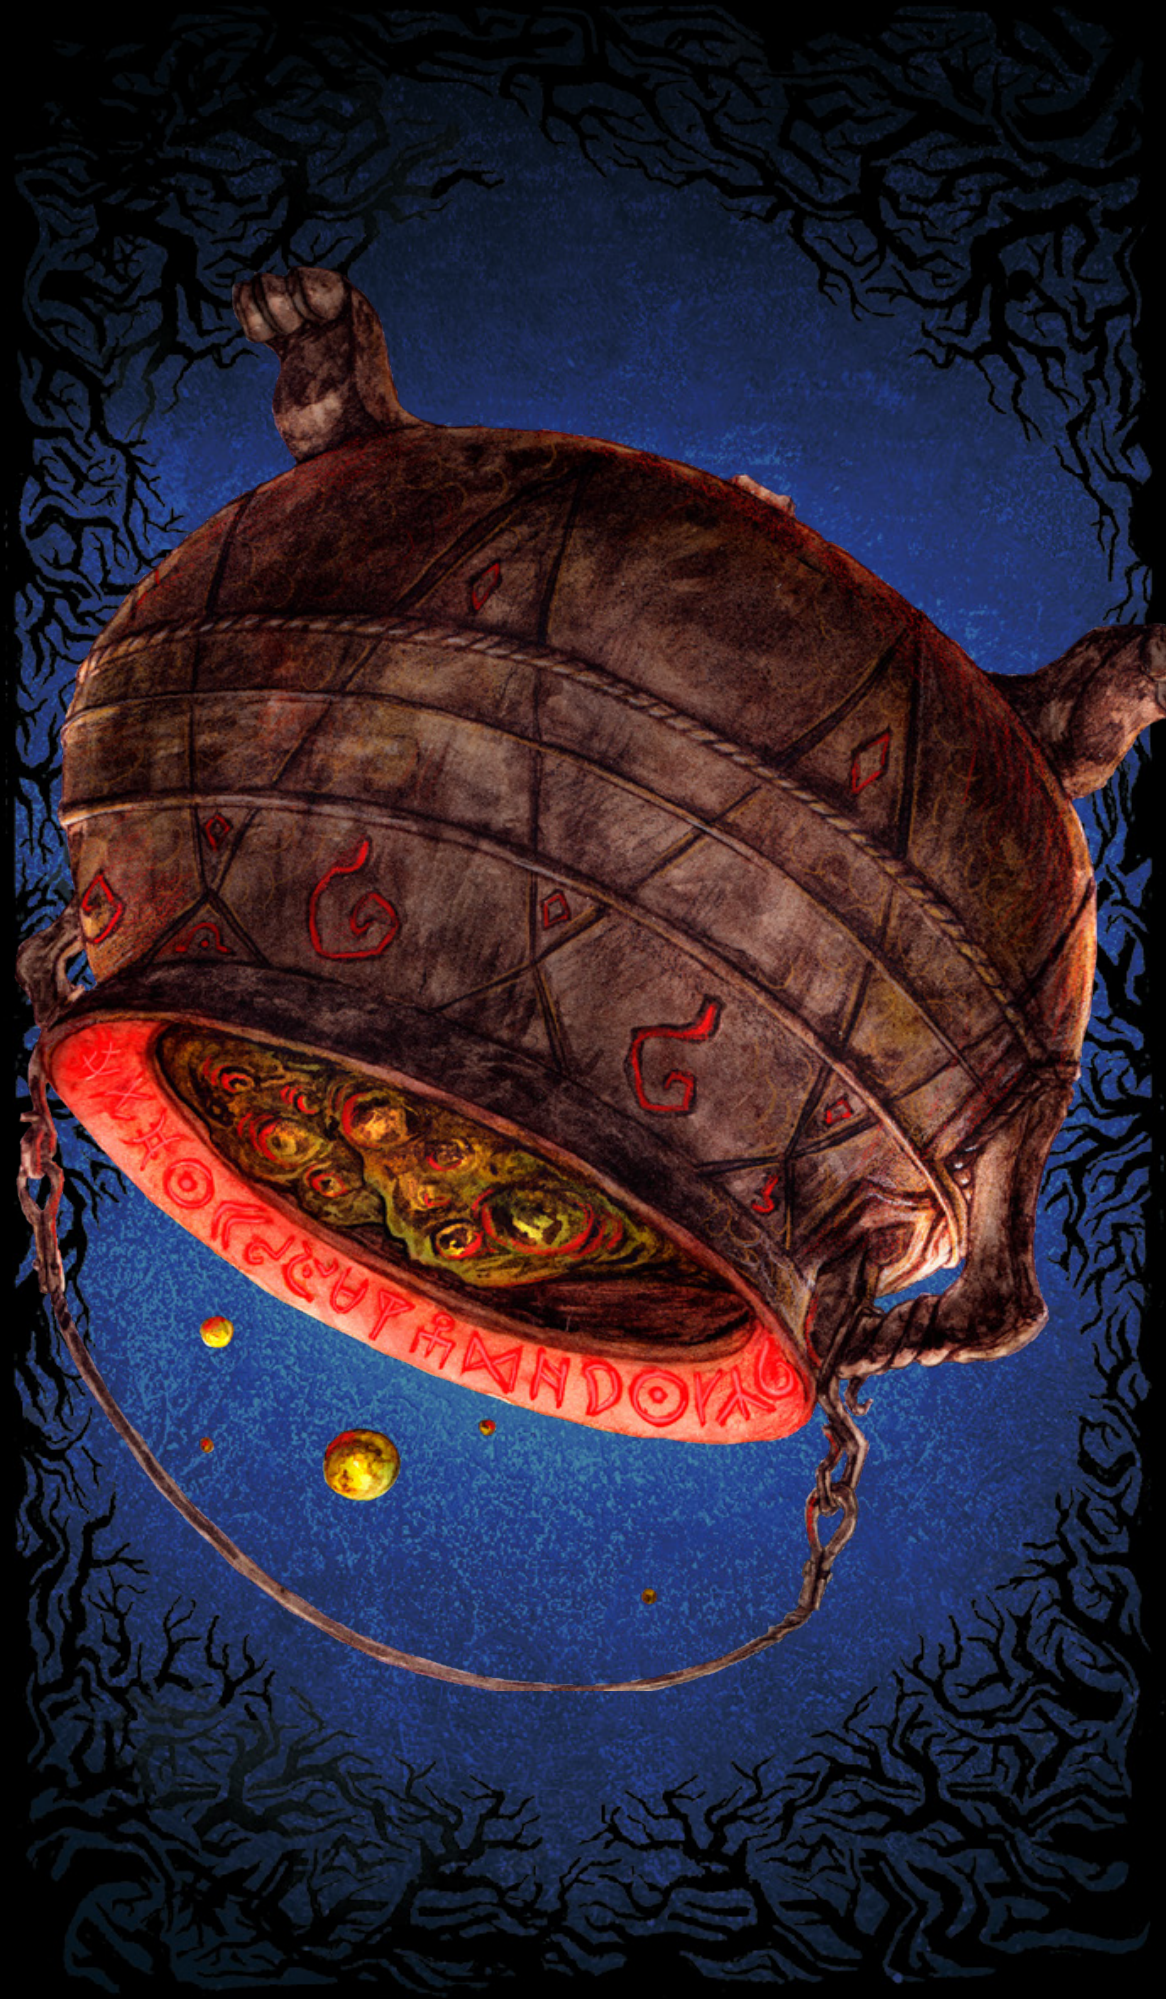

Cookpot (Rare+). As part of a short or long rest, you can use the cauldron in its Medium size to prepare food for up to ten creatures. At the end of the rest, each creature that eats gains 2d6 temporary hit points.

Vermincall (Rare+). As an action, you can spill liquid from the cauldron to cast the *Conjure Animals* spell. The conjured spirits take the form of grotesque insects or rats. Once you use this property, you can't use it again until the next dusk.

Fortifying Gorge (Very Rare+). When you use the Cookpot property, one creature of your choice that eats gains a +2 bonus to AC until it finishes a short or long rest. During this time, the creature's skin becomes tough and monstrous in appearance.

Coven Abomination (Legendary). As a bonus action, you can drink from the cauldron or give its contents to a creature within 5 feet of you. For 1 hour, the creature grows to Large if it is smaller than that, its reach increases by 5 feet, and its melee weapon attacks deal an extra 1d8 damage. When the effect ends, the creature is incapacitated for 1 minute, writhing in agony as its bones shrink slower than its flesh.

CROWN OF THE BARROW KING

Wondrous Item, Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While you wear the crown, you gain a bonus to spell attack rolls and your spell save DC for necromancy spells and spells that deal necrotic damage, determined by its rarity.

Demand of the Dead (Rare+). You can use the crown to cast the *Speak with Dead* spell.

Grave Grasp (Rare+). You know the *Chill Touch* cantrip. Your spell attack bonus with it is +9 (rare), +10 (very rare), or +11 (legendary).

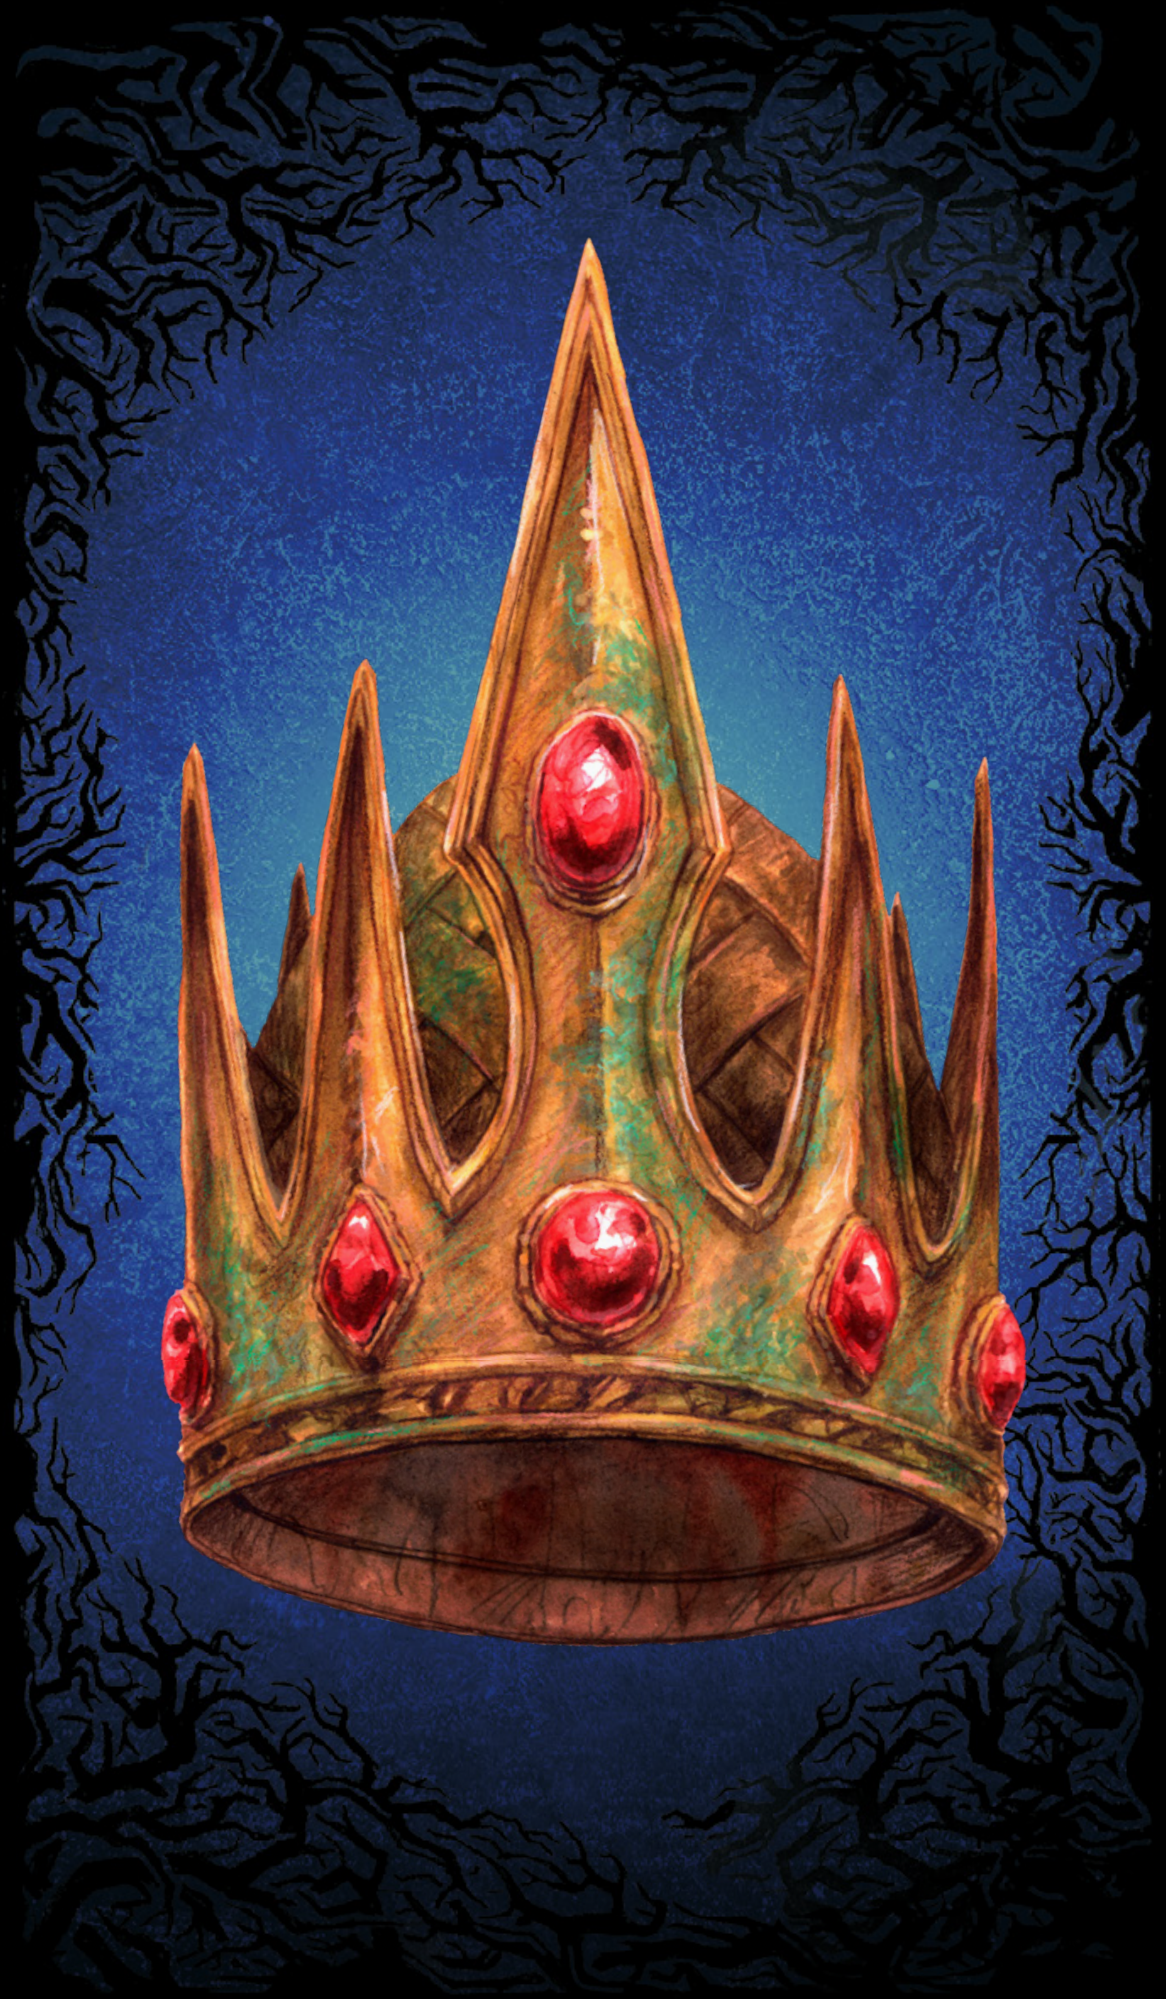

Necromancer's Call (Rare+). You can use the crown to cast the *Animate Dead* spell. This property can be used three times, and the crown regains all expended uses daily at dusk.

Master of Undeath (Very Rare+). Undead you create or summon have twice as many hit points as normal and have advantage on saving throws.

Soul Transfer (Very Rare+). When you drop to 0 hit points or fail a death saving throw, you can take a reaction to transfer your soul into an Undead creature within 1 mile that you created. Your previous body dies instantly. Your new body has none of your possessions except the crown. You use your game statistics, except that the Undead's current hit points replace your current hit points. Once this property is used, it can't be used again until the next dusk.

Compel Undead (Legendary). As an action, you can choose an undead creature within 30 feet of you. The creature must succeed on a DC 19 Wisdom saving throw or be charmed by you for 1 minute. While charmed in this way, the creature obeys your commands. The effect ends early if the creature is reduced to half its hit points or fewer.

CUTLASS OF BRIGGSY KRATCH

Weapon (Scimitar), Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

You gain a bonus to attack rolls and damage rolls made with this magic weapon, determined by its rarity.

Raise the Stakes (Rare+). As a bonus action, you can choose a creature within 5 feet of you and mark it until the start of your next turn. Count the number of times you hit the target and the number of times it hits you while the mark lasts. If you hit the creature more times, it takes 2d10 psychic damage. If it hits you more times, you take 2d10 psychic damage. If the hits are tied, both you and the creature take 2d10 psychic damage. Once this property is used, it can't be used again until the next dusk.

Sea Legs (Rare+). When you take the Disengage action, difficult terrain doesn't cost you extra movement until the end of your turn.

Double Down (Very Rare+). When you take the Attack action on your turn, you can make one additional attack against a creature marked by the Raise the Stakes property.

Jinxcraft Panache (Very Rare+). When a creature hits you with an attack roll, you can use your reaction to increase your AC against that attack by twice the cutlass's bonus, provided the creature has already dealt damage to you this turn.

Hex Ward (Legendary). You can't be targeted by divination spells or perceived through magical scrying sensors. Additionally, a creature that curses you takes psychic damage equal to your level.

EYE OF THE WHITE WORM

Wondrous Item, Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While holding the eye, you can use it as a spellcasting focus for your spells. You gain a bonus to spell attack rolls and your spell save DC, determined by its rarity.

Thought Scour (Rare+). You can use the eye to cast the *Detect Thoughts* spell (save DC = 16 + the eye's bonus). When you probe deeper into a creature's mind, it takes 3d8 psychic damage unless it is a willing target. Once this property is used, it can't be used again until the next dusk.

Mnemonic Siphon (Very Rare+). You can use the eye to cast the *Modify Memory* spell (save DC = 16 + the eye's bonus). When you do, you gain a version of the affected memory as if you experienced it yourself, though you still know the memory isn't yours. Once this property is used, it can't be used again until the next dusk.

Violation of the Real (Very Rare+). When you cast a Conjuration spell that deals damage, or that summons a creature that can deal damage, the spell or creature can deal an extra 1d10 psychic damage the first time it deals damage each turn.

Enduring Violation (Legendary). When you cast a conjuration spell with a duration of 1 hour or more, you can extend the duration to 24 hours, and the spell no longer requires concentration. Once this property is used, it can't be used again until the next dusk.

HIDE OF THE BRIMSTONE BEHEMOTH

Wondrous Item, Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While wearing this cloak you gain a bonus to Armor Class and Constitution saving throws, determined by its rarity.

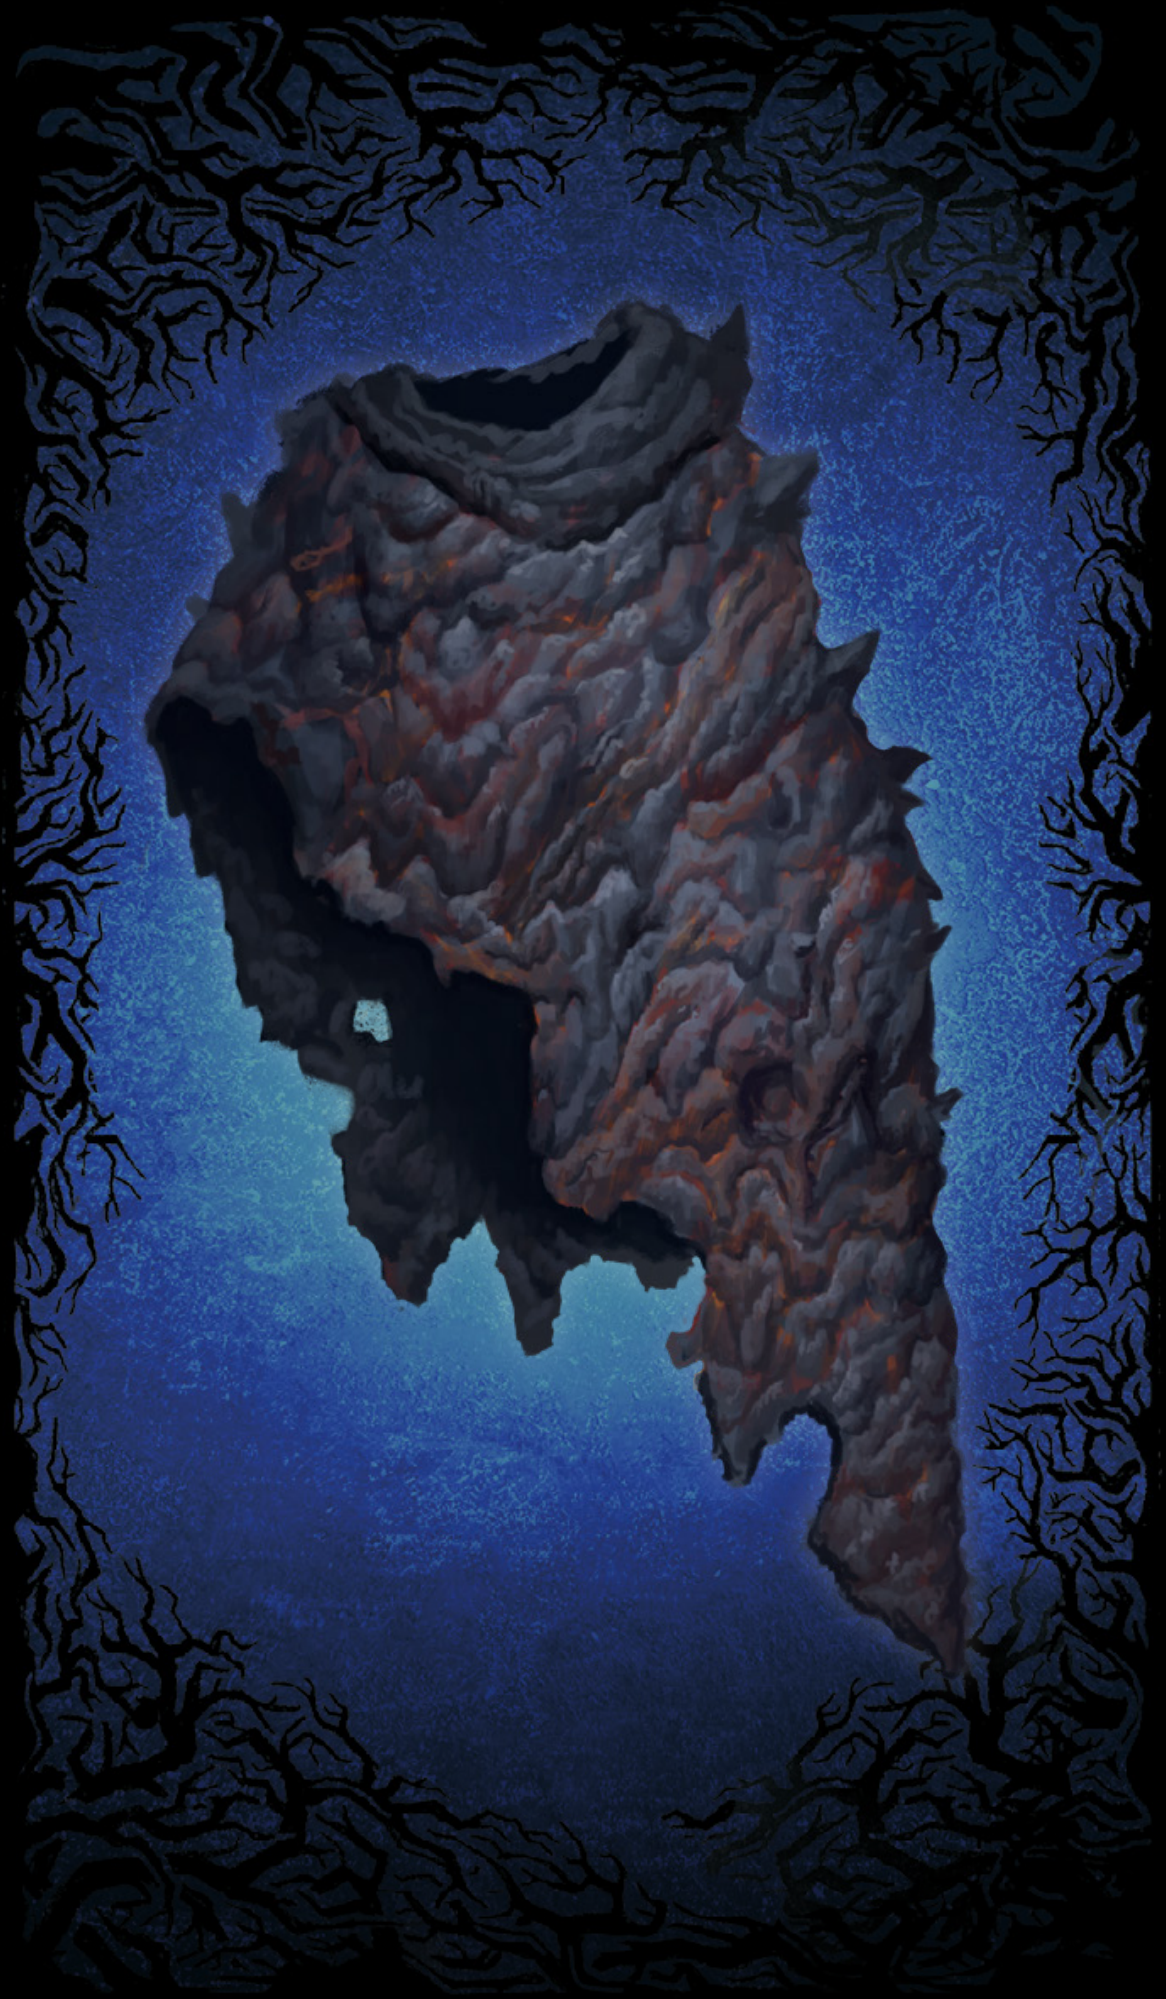

Deep-dweller (Rare+). You have resistance to fire damage and a burrow speed equal to your walking speed. Once during your turn, when you emerge from burrowing, each creature within 10 feet must make a Dexterity saving throw (DC = 16 + the hide's bonus). On a failed save, a creature takes 2d8 fire damage or half as much on a successful save.

Infernal Roar (Rare+). You can use the cloak to cast the *Fear* spell (save DC = 16 + the hide's bonus). This property can be used three times, and the hide regains all expended uses daily at dusk.

Hellfire Maw (Very Rare+). As an action, you can exhale hellfire in a 30-foot cone. Each creature in the area must make a Dexterity saving throw (DC = 16 + the hide's bonus). On a failed save, a creature takes 4d6 fire damage and 4d6 necrotic damage, and it can't regain hit points for 1 minute. On a successful save, the creature takes half damage. Once this property is used, it can't be used again until the next dusk.

Pernicious Fire Immunity (Legendary). Fire actively avoids you. You have immunity to fire damage. When you are the target of an attack that deals fire damage, the attack randomly targets another creature within its range, which can include the attacker. Additionally, when you make a saving throw against an effect that deals fire damage, you must choose one other creature that is also making the saving throw. That creature has disadvantage on the save.

HOOK OF THE TALL MAN

Weapon (War Pick), Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

You gain a bonus to attack rolls and damage rolls made with this magic weapon, determined by its rarity.

Snare (Rare+). When you hit a creature with the hook, you can choose to force it to make a Constitution saving throw (DC 8 + your proficiency bonus + the ability modifier you used for the attack). On a failed save, the creature is knocked prone.

Fey Haunt's Stride (Rare+). You can use the hook to cast the *Misty Step* spell. When you do so, you have advantage on the next Dexterity (Stealth) check you make before the end of your next turn. This property can be used twice, and the hook regains all expended uses when you roll initiative.

Strike from Shadows (Very Rare+). If you start your turn while invisible, you have advantage on the first attack you make on that turn, even if the invisible condition ends before you make the attack. If that attack hits, it deals an extra 2d6 piercing damage.

Hunter's Hook (Legendary). When you hit with an opportunity attack made with the hook, the target takes an extra 2d6 psychic damage, and its speed becomes 0 until the end of the current turn.

Terrifying Stride (Legendary). Immediately after you use the Fey Haunt's Stride property, you can choose a creature within 20 feet of you. The creature must succeed on a DC 19 Wisdom saving throw or gain the frightened condition until the end of your next turn. While frightened in this way, the creature can't take the Disengage action.

IDOL OF THE BEAST OF BLIGHT

Wondrous Item, Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While holding the idol, you can use it as a spellcasting focus for your spells, and you gain a bonus to spell attack rolls and your spell save DC, determined by its rarity.

Rotting Touch (Rare+). You can choose to use your Strength, Dexterity, or Wisdom modifier for the attack and damage rolls of your unarmed strikes. On a hit, your strike deals 1d6 necrotic damage (Rare), 1d8 necrotic damage (Very Rare), or 1d10 necrotic damage (Legendary), instead of the normal damage.

Touch of Oblivion (Rare+). As a bonus action, you can touch a creature that has been dead for less than 1 hour, causing it to rot away to bleached bone. A creature affected in this way can't be targeted by this property again. The next time you hit with an unarmed strike using the Rotting Touch property, before the end of your next turn, the attack is a critical hit.

Hallucinatory Spores (Very Rare+). When you cast a spell using a spell slot or through the idol, you can target one creature within 10 feet of you. The creature must succeed on a Wisdom saving throw (DC 16 + the idol's bonus) or take 2d6 psychic damage and have disadvantage on attack rolls until the start of your next turn.

Rot in the Flesh (Very Rare+). You can use the idol to cast the *Barkskin* spell, targeting only yourself. For the duration, any creature that hits you with a melee attack takes 1d8 necrotic damage. Once this spell is cast from the idol, it can't be cast again until the next dusk.

Hollow with Rot (Legendary). When you regain hit points from a spell, you also gain temporary hit points equal to the spell's level.

LANTERN OF THE CHAINED REAPER

Wondrous Item, Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While you hold the lantern and it is lit, you gain a bonus to Intelligence (Investigation) and Wisdom (Perception) checks determined by its rarity.

Ghostly Flame (Rare+). The lantern doesn't require fuel and sheds bright light in a 30-foot radius and dim light for an additional 30 feet. The light is blue-green in color. While the lantern is within 30 feet of you, you can use a bonus action to ignite or extinguish it.

Revealing Flame (Rare+). Creatures in the Border Ethereal that are within the lantern's bright light are visible to creatures on the Material Plane. If a creature within the bright light is possessed or affected by the *Magic Jar* spell, the controlling entity appears overlaid on the body in a spectral form.

Mystic Sight (Very Rare+). While holding the lantern, you can use it to cast the *Detect Magic* spell. The spell ends early if you extinguish the lantern's light or stop holding it.

Summon Spirit (Very Rare+). As an action, you can summon a **Ghost** (friendly to you and your allies). The ghost is friendly to you and your companions, and it obeys your commands. It takes its turn immediately after yours. The ghost vanishes after 1 minute or when it drops to 0 hit points. While the ghost is present, you can't use the lantern's other properties except for Ghostly Flame.

Balefire (Legendary). While holding the lantern, you can use an action to cast the *Scorching Ray* spell from it at 5th level (attack bonus +11). This property can be used three times, and the lantern regains all expended uses daily at dusk.

Warding Light (Legendary). The lantern's bright light offers the protection of a *Magic Circle* spell. The effect protects creatures inside the light from creatures outside of it. This protection ends if you stop holding the lantern or if you are incapacitated.

MAROTTE OF THE LORD OF FOOLS

Rod, Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While holding the marotte, you can use it as a spellcasting focus for your spells. You gain a bonus to spell attack rolls and your spell save DC, determined by its rarity.

Coulrophobia (Rare+). When you succeed on a saving throw to avoid the frightened condition, you can use your reaction to force the creature that created the effect to make the same saving throw. On a failed save, it has the frightened condition until the end of your next turn.

Fortune's Fool (Rare+). You can use the marotte to cast the *Hideous Laughter* spell (save DC = 16 + the marotte's bonus). Once this property is used, it can't be used again until the next dusk. If you roll a 1 on a d20 for an ability check, attack roll, or saving throw, you regain use of this property early.

Fool's Motley (Very Rare+). You can use the marotte to cast the *False Life* spell. Any clothing or armor you wear look like a fool's motley for the duration of the spell.

Slapstick (Very Rare+). When a creature is affected by a *Hideous Laughter* spell you cast, you can choose another creature. If that creature deals damage to the target of the spell, the target has disadvantage, rather than advantage, on its saving throw to end the spell.

Lord of Fools (Legendary). You can use the marotte to cast the *Mass Suggestion* spell (save DC 19). The effect ends on a creature if it is behind total cover or more than 120 feet from you. A creature affected by your *Hideous Laughter* spell automatically fails its saving throw against this mass suggestion. This property can be used to cast *Mass Suggestion* once, and it can't do so again until the next dusk.

MASK OF LETHICA NIGHTBORNE

Wondrous Item, Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While wearing the mask, you gain a bonus to Wisdom and Charisma saving throws, determined by its rarity.

Gift of the Night Goddess (Rare+). You can see normally in nonmagical and magical dim light and darkness.

Soothing Darkness (Rare+). Creatures of your choice in the area of a *Darkness* spell you cast have resistance to psychic damage.

Whispers of Night (Rare+). You can use the mask to cast the *Darkness* spell. This property can be used twice, or four times if the mask is Very Rare or Legendary. All expended uses are regained daily at dusk.

Balm of Midnight (Very Rare+). At the start of your turn, you can choose a frightened creature within 60 feet of you. The creature must succeed on a DC 15 Wisdom saving throw or end the condition on itself. If the frightened creature is in an area of darkness you created, it gains 2d10 temporary hit points when it succeeds on the saving throw.

Offering of Burdens (Legendary). As an action, you can touch a willing creature to transfer any number of exhaustion levels from it to yourself. You then remove up to two exhaustion levels from yourself and regain one expended spell slot of 5th level or lower. Once this property is used, it can't be used again until the next dusk.

Surcease of Sorrows (Legendary). You can use the mask to cast the *Modify Memory* spell (save DC 19). If the target willingly fails the saving throw, you can choose a memory that happened at any time during the target's lifespan. Once this property is used, it can't be used again until the next dusk.

PLANCHETTE OF ADELA DRUSKENVALD

Wondrous Item, Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While wearing the planchette, you can use it as a Spellcasting Focus for your spells. You gain a bonus to Intelligence and Wisdom ability checks, determined by its rarity.

Sense the Unseen (Rare+). The planchette has 5 charges and regains 1d4 + 1 expended charges daily at dusk. You can expend charges to cast the following spells: *Detect Magic* (1 charge), *Locate Object* (2 charges), or *See Invisibility* (2 charges).

Starlight Ward (Rare+). You have resistance to radiant damage. If you take radiant damage, the star-sigils on the planchette shed bright light in a 10-foot radius and dim light for an additional 10 feet for 1 minute.

Vision Beyond (Very Rare+). The planchette has 9 charges and regains 1d8 + 1 expended charges daily at dusk. You can also expend charges to cast *Find Traps* (2 charges) or *Sending* (3 charges).

Spirit Ward (Very Rare+). When you fail a saving throw against a *Magic Jar* spell or possession (such as by a ghost), you can expend 3 charges to succeed on the saving throw instead.

Third Eye Opened (Legendary). The planchette now has 13 charges and regains 1d12+1 expended charges daily at dusk. You can also cast *Divination* (4 charges), *Contact Other Plane* (5 charges), and *Etherealness* (7 charges) from it.

RUNESTONE OF THE WILD TITAN

Wondrous Item, Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While holding the stone, you gain a bonus to Strength and Constitution saving throws, determined by its rarity.

Crushing Weight (Rare+). When you are within 5 feet of a creature that has the prone condition, you can use a bonus action to place the stone on the creature, to restrain it. The restrained creature can take an action to make a Strength saving throw, ending the restrained condition and effect the stone free on a success.

Boulder Throw (Very Rare+). You can throw the stone as a ranged weapon, using your Strength modifier for attack and damage rolls. It has a normal range of 2 feet per point of your Strength score and a long range of 5 feet per point of your Strength score. On a hit, the target takes 2d10 bludgeoning damage and must succeed on a Strength saving throw (DC = 16 + the runestone's bonus) or be knocked prone. The stone has the heavy and thrown properties.

Recall (Very Rare+). As a bonus action, you can call the stone back to you, provided it is within 1 mile. If you have an empty hand, the stone appears in your hand; otherwise, it appears at your feet in your space.

Primal Vitality (Legendary). While you stand on fertile soil or unworked stone, you have advantage on Strength and Constitution saving throws, and you gain temporary hit points equal to 2d6 + your Strength modifier at the start of each of your turns.

Pummeling Boulder (Legendary). The damage of the Boulder Throw property increases to 3d10, and the stone deals double damage to objects and structures.

SCYTHE OF THE HARVEST TERROR

Weapon (Halberd), Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

You gain a bonus to attack and damage rolls made with this magic weapon, determined by its rarity.

Feed on Fear (Rare+). Once on each of your turns, when you hit a frightened creature with the scythe, the target takes an extra 1d10 psychic damage. If the scythe is Legendary, the extra damage increases to 2d10.

Sweep of Dread (Rare+). You can use the scythe to cast the *Fear* spell (save DC 16 + the scythe's bonus), and the spell doesn't require concentration. Once this property is used, it can't be used again until the next dusk.

Harvest of the Hidden Word (Very Rare+). As a bonus action, you can force a frightened creature to make a Charisma saving throw (DC 16 + the scythe's bonus). On a failed save, you learn one fact the creature is deliberately keeping secret. Once this property is used on a creature, that creature is immune to this property for 24 hours.

Seed of Terror (Very Rare+). When you hit a creature with the scythe, you can use a bonus action to target another creature within 30 feet of the first. The second creature must make a Wisdom saving throw (DC 16 + the scythe's bonus). On a failed save, the target creature becomes frightened until the end of your next turn.

Lurking Terror (Legendary). When a frightened creature you can see ends its turn within 60 feet of you, you can use your reaction to teleport to an unoccupied space you can see within 60 feet of the frightened creature.

SHIELD OF MARIUS RENATHYR

Armor (Shield), Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While holding this shield, you gain a bonus to AC determined by its rarity, in addition to the shield's normal bonus to AC.

Valorous Guard (Rare+). When a creature within 5 feet of you is hit by an attack roll, you can take a reaction to add 2 + the shield's bonus to the creature's AC, potentially causing the attack to miss. When a creature within 5 feet of you fails a Dexterity saving throw, you can take a reaction to add 2 + the shield's bonus to the creature's saving throw total, potentially causing it to succeed.

Honor of the Vanguard (Very Rare+). When you roll initiative and an ally you can see is within 30 feet of an enemy, you can teleport to an unoccupied space within 5 feet of that ally and gain temporary hit points equal to 5 times the shield's bonus.

Righteous Wrath (Very Rare+). When you use the Valorous Guard property to cause an attack to miss, the next time you hit that attacker with a weapon or unarmed strike before the end of your next turn, the attacker takes an extra 1d8 radiant damage. If the shield is Legendary, this damage increases to 3d8.

As Terrible as the Dawn (Legendary). You can cast the *Flame Strike* spell (save DC 19) from the Shield. If you are in the spell's area, you regain 5d6 hit points instead of taking damage. Once this property is used, it can't be used again until the next dusk.

SHOVEL OF YORGRIM

Weapon (Greatclub), Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

You gain a bonus to attack rolls and damage rolls with this magic weapon, determined by its rarity.

Death-Kenning (Rare+). When you hit an undead with the shovel, you can use a bonus action immediately after the hit to learn its resistances, immunities, and vulnerabilities, if any.

Deathspeaker (Rare+). You can use the shovel to cast the *Gentle Repose* and *Speak With Dead* spells.

Deny Death's Touch (Very Rare+). You and your allies within a 10-foot radius centered on you have resistance to necrotic damage.

Bind Deathly Servant (Legendary). When a Humanoid dies within 30 feet of you, you can take a reaction to turn its soul into a **Specter** under your control. If the Humanoid was friendly to you when it died, you can turn the soul into a **Wraith** instead. You can control one creature at a time with this property. The undead disappears after 8 hours, when you create a new creature with this property, or when it dies.

Psychopomp (Legendary). As an action, you and one willing creature that isn't Undead that you touch become wraithlike until the end of your next turn. While wraithlike, you can move through other creatures and objects as if they were difficult terrain. You take 1d10 force damage if you end your turn inside an object, appearing in the closest unoccupied space. If the creature you touch is Undead, it must succeed on a DC 19 Charisma saving throw or have vulnerability to all damage until the start of your next turn. This property can be used three times, regaining all expended uses daily at dusk.

STAFF OF FARRYN OF THE GREENWOOD

Staff, Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While holding the staff, you can use it as a spellcasting focus for your spells. You gain a bonus to spell attack rolls and your spell save DC determined by its rarity.

Living Ward (Rare+). You have resistance to necrotic damage.

Servant of the Cycle (Rare+). You can cast the *Cure Wounds* spell at a 3rd level from the staff. When you do so, the next time you hit with an attack before the end of your next turn, the target takes an extra 1d10 necrotic damage. This property can be used three times, regaining all expended uses daily at dusk.

Cycle's Balance (Very Rare+). You can cast the *Revivify* spell from the staff. When you do so, the next time a creature fails a saving throw against a spell you cast in the next hour, it and creatures of your choice within 20 feet of it take 4d10 necrotic damage. Once this property is used, it can't be used again until the next dusk.

Sacrifice of Flesh (Very Rare+). When a spell you cast restores hit points, you can take necrotic damage equal to up to twice the spell's level. This damage can't be reduced or prevented in any way. The target regains additional hit points equal to three times the damage you take.

Death Blossom (Legendary). When a creature you can see within 60 feet of you dies, you can use your reaction to make flowers bloom around them. Creatures of your choice within 30 feet of the dead creature regain 4d8 hit points and gain 2d8 temporary hit points. Once this property is used, it can't be used again until the next dusk.

SWORD OF THE CRIMSON ABBOT

Weapon (Longsword), Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

You gain a bonus to attack rolls and damage rolls with this magic weapon, determined by its rarity.

Blood Drain (Rare+). When you hit a creature with the sword, it takes an extra 1d6 necrotic damage.

Irresistible Hunger (Very Rare+). Necrotic damage you deal ignores resistance.

Vampiric Charm (Very Rare+). You can use the sword to cast the *Charm Person* spell (save DC = 16 + the sword's bonus, no concentration required). Once this property is used, it can't be used again until the next dusk.

Embrace of the Duchess (Legendary). As an action, you can touch the sword to the body of a Humanoid that has been dead for 1 minute or less. The creature must succeed on a DC 19 Charisma saving throw (as if it were alive) or become a **Vampire Spawn** that dies again at dawn. Once this property is used, it can't be used again until the next dusk.

Stolen Life (Legendary). When you deal necrotic damage with the Blood Drain property, you can spend and roll one of your Hit Dice. You regain hit points equal to the number rolled plus the necrotic damage dealt.

TOOTH OF THE JINXED LEVIATHAN

Weapon (Dagger), Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While holding the tooth, you can use it as a spellcasting focus for your spells. You gain a bonus to attack rolls and damage rolls made with this magic weapon, determined by its rarity.

Jinx of Dire Fortune (Rare+). As a bonus action, you can force one creature you can see within 60 feet of you to make a Charisma saving throw (DC = 16 + the tooth's bonus). On a failed save, the creature is jinxed for 1 minute. While jinxed, when it makes an ability check, saving throw, or attack roll and rolls an even number on the d20, it must reroll the d20 and take the new roll. On a successful save, you must make the same saving throw, becoming jinxed for 1 minute on a failure. You can't use this property while another creature is jinxed by it.

Exposed Weak Spot (Very Rare+). When you make an attack roll with the tooth, you score a critical hit on a roll of 19 or 20 on the d20.

Steal Unluck (Very Rare+). When an enemy you can see within 60 feet of you makes an attack roll, ability check, or saving throw with advantage, you can use your reaction to negate its advantage. This property can't be used again until a creature you can see rolls a 1 on a d20.

Strange Fortunes (Legendary). Each time you score a critical hit with the tooth against an enemy, it gains a cumulative +3 bonus to damage rolls. This bonus is in addition to the bonus based on the tooth's rarity. When you roll a 1 on the d20 for an attack roll with the tooth, you take force damage equal to the accumulated bonus. This property's damage bonus resets to +0 when you finish a long rest.

VEIL OF THE WEEPING WIDOW

Wondrous Item, Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While wearing the veil, you gain a bonus to Wisdom checks and Wisdom saving throws, determined by its rarity.

Psychic Fortitude (Rare+). You have resistance to psychic damage.

Sense Grief (Rare+). You can use the veil to cast the *Detect Thoughts* spell (save DC = 16 + the veil's bonus).

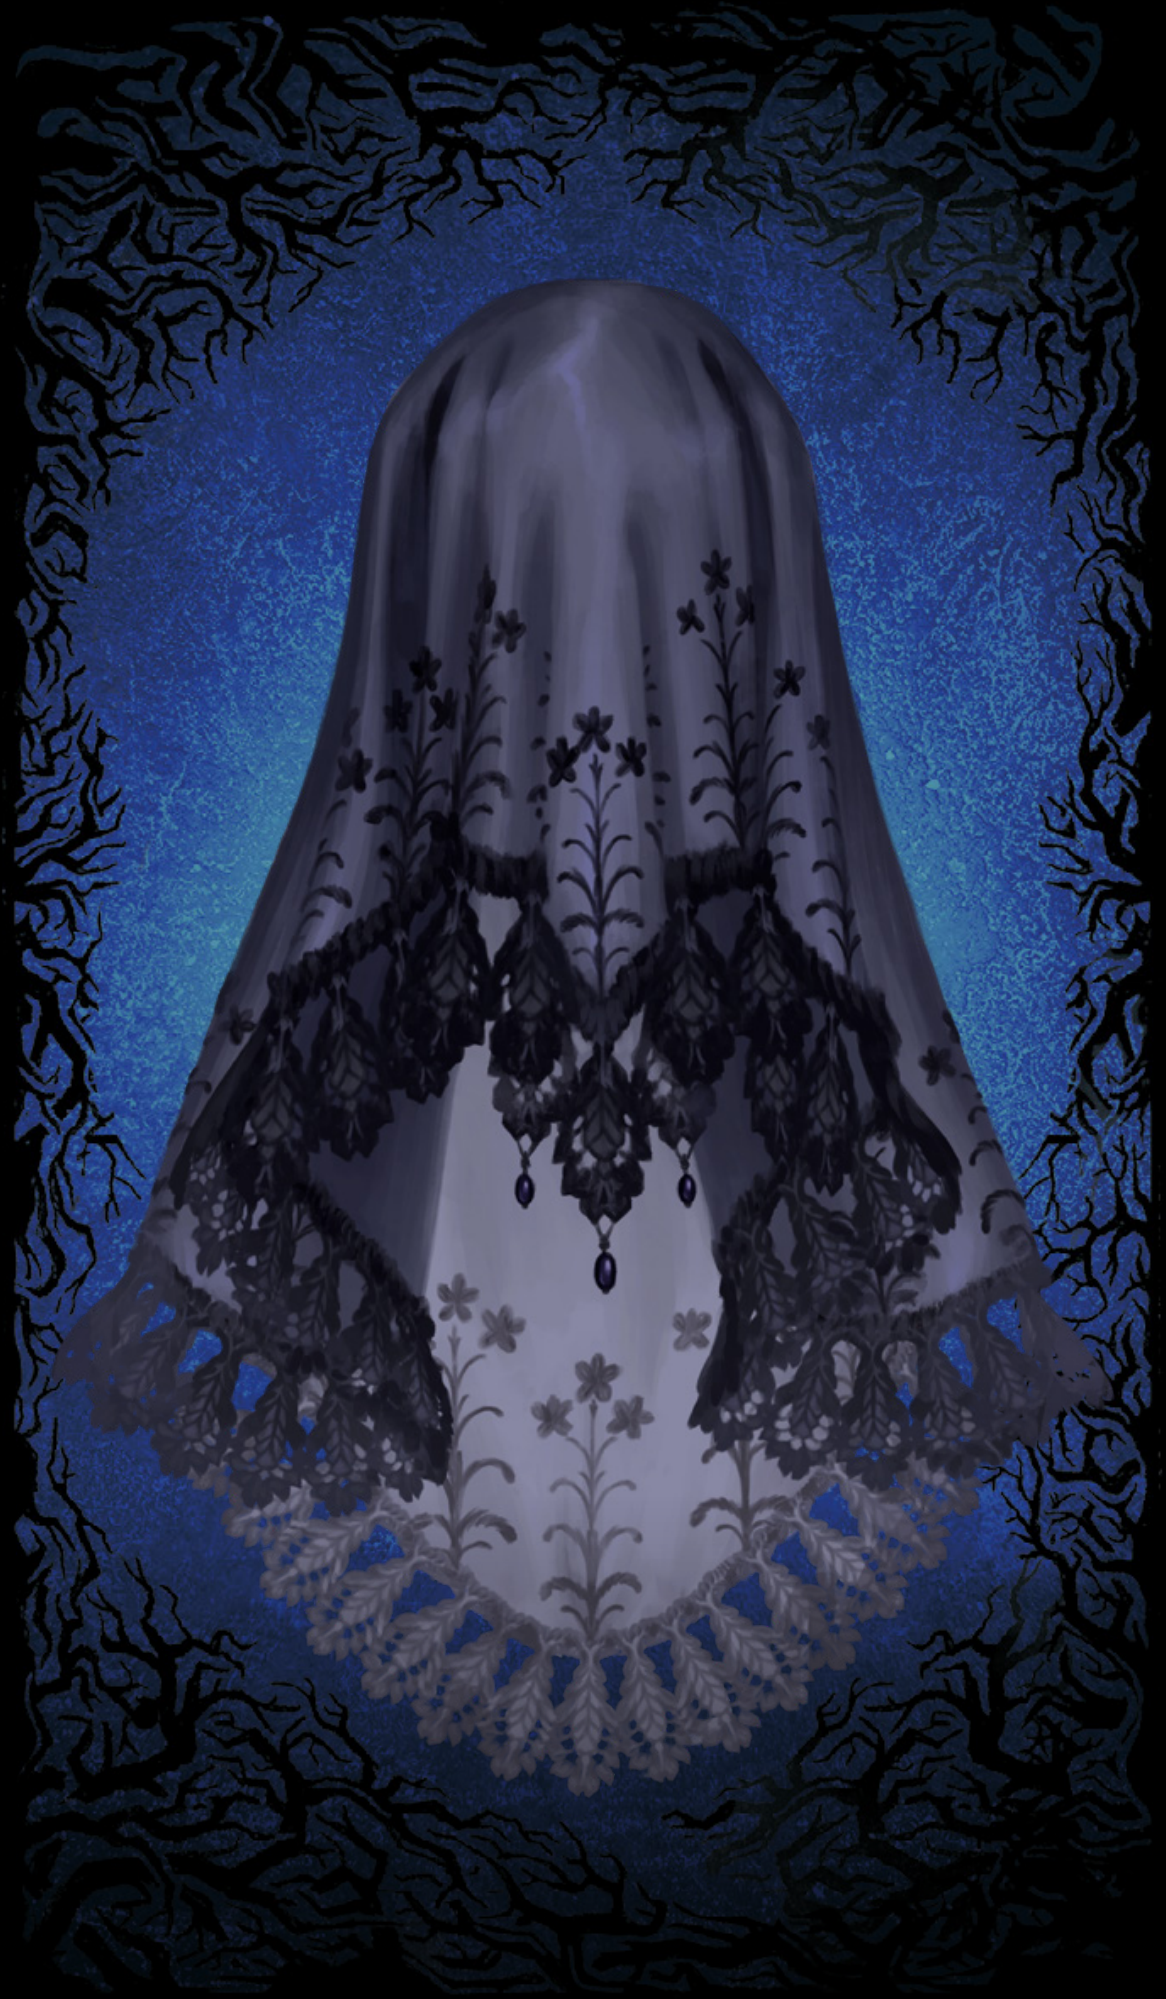

Psychic Shock (Very Rare+). When a creature forces you to make a saving throw against psychic damage or to avoid or end the charmed or frightened conditions, you can use your reaction to deal 2d8 psychic damage to it.

Thought Worm (Very Rare+). You can use the veil to cast the *Modify Memory* spell (save DC = 16 + the veil's bonus). When a creature fails its saving throw against the spell, you can implant a parasitic spawn of the White Worm in its brain. While you are on the same plane as the target, you know the distance and direction to it, and you can cast Divination and Enchantment spells on it as if it were in range and in sight. A *Greater Restoration* or *Heal* spell kills the parasite and ends this effect. Once this property is used, it can't be used again until the next dusk.

Psychic Storm (Legendary). You can take one extra reaction during a round, which you can only use to activate the Psychic Shock property.

Veiled Countenance (Legendary). When you are the target of a divination spell, the caster must succeed on a DC 19 Wisdom saving throw. On a failed save, the caster takes 6d8 psychic damage and becomes incapacitated for 1 minute. At the end of each of its turns, the caster can repeat the saving throw, ending the effect on itself on a success.

VISAGE OF THE OLD WAYS

Wondrous Item, Rare (+2), Very Rare (+4), Legendary (+6) (Requires Attunement)

While wearing the mask, you gain a bonus to your damage rolls when you deal fire damage, determined by its rarity.

Cultic Mask (Rare+). You can't be targeted by Divination spells or perceived through scrying sensors. Ability checks made to discern your identity have a minimum DC of 25.

Fire Within (Rare+). You can take a bonus action to begin or stop burning. While you are burning in this way, your weapon attacks deal an extra 2d4 fire damage, and you take 1d4 fire damage at the start of each of your turns.

Strange Sight (Rare+). You have darkvision with a range of 60 feet, and you can see normally through areas obscured by smoke.

Mastery of Flame (Very Rare+). Fire damage you deal ignores resistance.

Sacrificial Flame (Very Rare+). You can use a bonus action to cause a creature you can see with 0 hit points within 30 feet of you to burst into flame. Its body burns to ash over the next minute. While it burns, each creature hostile to you that starts its turn within 10 feet of the body takes 2d8 fire damage. The flame is extinguished if the target regains any hit points.

Harvest Offering (Legendary). As an action, you can expend up to 5 of your Hit Dice to regain a spell slot of a spell level equal to the number of dice spent. Alternatively, you can touch a creature that is willing or that has the unconscious condition and cause it to expend any number of Hit Dice in your place. You can use this property twice, regaining all expended uses daily at dusk.

WHISTLE OF THE VAGRANT

Wondrous Item, Rare (+1), Very Rare (+2), Legendary (+3) (Requires Attunement)

While holding or wearing the whistle, you gain a bonus to all saving throws, determined by its rarity.

Call the Dead (Rare+). As an action, you can blow the whistle to cast the *Gentle Repose* spell on all dead bodies within 30 feet of you. Once this property is used, it can't be used again until the next dusk.

Sense the Undead (Rare+). As a bonus action, you can detect the presence and location of undead within 60 feet of you, even through total cover of any material other than iron or lead.

Undaunted (Rare+). You have advantage on saving throws against the frightened condition.

Call the Undead (Very Rare+). As an action you can blow the whistle to cast the *Banishment* spell on an undead creature (save DC = 16 + the whistle's bonus). The target always appears in a harmless demiplane resembling the interior of a train. If you maintain the spell for its full duration, the target arrives in an appropriate afterlife. A creature with legendary actions automatically succeeds on the saving throw. Once this property is used, it can't be used again until the next dusk.

Steam Cloud (Very Rare+). As an action you can blow the whistle to cast the *Fog Cloud* spell (no concentration required). Once this property is used, it can't be used again until the next dusk.

Touched by Death (Very Rare+). You have resistance to necrotic damage.

Afterlife Express (Legendary). As an action you can blow the whistle to cast the *Ghastly Charge* spell (the charge takes the form of a ghostly train). You can use this property twice, regaining all expended uses daily at dusk.

AMBER BIRDCAGE

Wondrous Item, Very Rare (Requires Attunement)

This birdcage, shaped from amber and filled with amber songbirds, replaces your torso while you are attuned to it. When your Attunement ends, the birdcage separates from you, and your torso returns to its previous state.

Sense Fiends. As a bonus action, you can sense the presence of fiends or magical effects caused by fiends within 60 feet of you for 1 minute.

Capture Fiend. As an action, you can target one fiend that has half its hit points or fewer that you can see within 60 feet of you. The target must succeed on a DC 15 Charisma saving throw or be transformed into an amber songbird and trapped in the birdcage. While trapped, the songbird is an inert object. As a bonus action, you can remove one songbird from the cage. If you stop holding the bird, the fiend reverts to its true from with all its hit points and is hostile to you.

Consume Songbird. As an action, you can consume one amber songbird you are holding. The fiend dies, and you gain one of the following benefits (your choice): regain one expended spell slot of a level up to half the fiend's challenge rating (rounded down), or gain temporary hit points equal to the fiend's challenge rating.

Amber Curse. You have a –1 penalty to Wisdom saving throws. Each time you use the Capture Fiend or Consume Songbird property, this penalty increases by 1.

BLACK CANDLE

Wondrous Item, Very Rare (Requires Attunement)

This broad black tallow candle is engraved with arcane symbols. When lit, its smoke is greasy and pungent, and its flame is pale gray, but it never burns down.

Word of Flame and Darkness. As a bonus action, you can light or extinguish the candle by speaking a command word while within 60 feet of it. It sheds dim light in a 30-foot radius.

Witchlight. While you are within the candle's light, you can cast a spell of 1st or 2nd level without expending a spell slot. When you cast a spell in this way, you must succeed on a DC 0 Constitution saving throw or take fire damage equal to 2d6 times the level of the spell.

Cursed Candle. When you cast a spell using the Witchlight property and succeed or fail on the saving throw, the DC for the saving throw increases by 2. This increase can't occur again until you finish a long rest. Additionally, while the save DC is 10 or higher, you have vulnerability to necrotic damage.

BLOODY FIDDLE

Wondrous Item, Rare (Requires Attunement)

This scarlet-lacquered fiddle is warm to the touch, like the heat of fresh blood. Though worn with age, its sound remains clear and strong.

While holding the fiddle, you gain a +2 bonus to Charisma (Performance) checks.

Song of Stirred Blood. As an action, you can play a lively or stirring tune on the fiddle. Choose up to six creatures within 30 feet of you. Each creature gains temporary hit points equal to 1d10 + your proficiency bonus. If you have Bardic Inspiration dice, you can expend one and roll it to add the result to the total. Once this property is used, it can't be used again until the next dusk.

Sanguine Curse. The first time you play the fiddle after finishing a long rest, you take 1 slashing damage that ignores resistance. Each time you use the Song of Stirred Blood property, this damage increases by 1.

CHUNK OF OOZING FUNGUS

Wondrous Item, Rare (Requires Attunement)

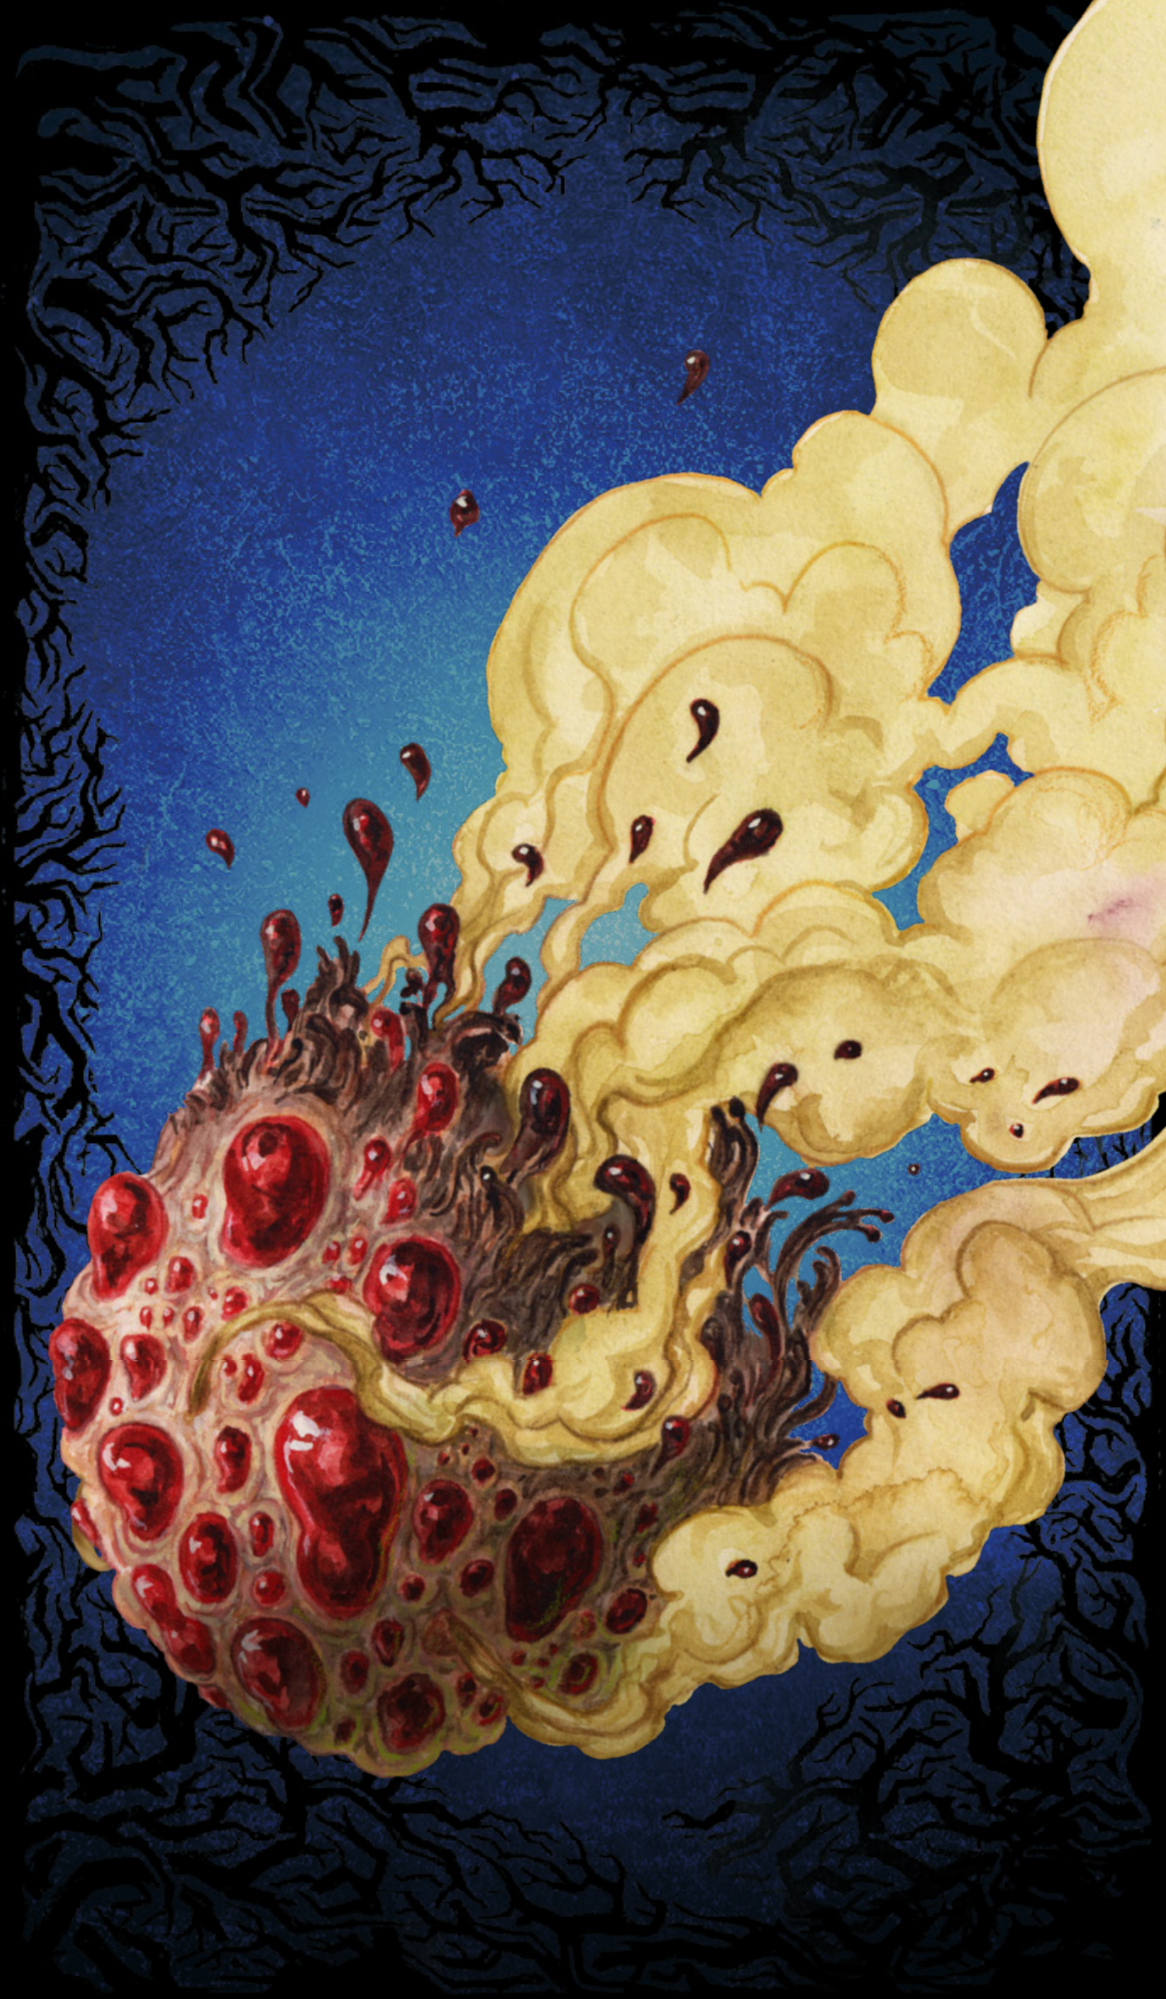

This fist-sized fungal growth is purplish-green, oozy, and lumpy, frequently releasing spores into the air.

Spore Cloud. As an action, you can throw the fungus up to 30 feet. The fungus is destroyed upon impact, releasing a cloud of spores in a 30-foot-radius sphere centered on the point of impact. Each creature in the area, except you, must make a DC 14 Constitution saving throw. On a failed save, a creature takes 3d8 poison damage and is poisoned until the start of your next turn. If the saving throw fails by 5 or more, the creature also becomes incapacitated for the same duration. On a successful save, a creature takes half damage and no additional effects.

Regrow. As a bonus action, you can regrow another *Chunk of Oozing Fungus* by coughing green-black spores into your hand. When you do so, you must succeed on a DC 10 Constitution saving throw or your hit point maximum decreases by 5. This reduction lasts until you finish a long rest.

Fungal Curse. You have a −1 penalty to Constitution saving throws. This penalty increases by 1 immediately after you succeed or fail on the saving throw from the Regrow property.

© 2025 Avantris LLC

MIDWIFE SHEARS

Wondrous Item, Rare (Requires Attunement)

These bronze scissors are shaped to resemble a stork. Their blades are forever wickedly sharp, and the threads they cut are more than merely physical.

Cut the Unseen Thread. While holding the scissors, you can use them to cast the *Dispel Magic* spell (with a +4 bonus to the ability check) or the *Remove Curse* spell. Once you cast either spell from the scissors, that spell can't be cast from them again until the next dusk.

Curse of the Severed Thread. When you make a saving throw to avoid being pushed or knocked prone, you have a −1 penalty to the roll. This penalty increases by 1 each time you use the Cut the Unseen Thread property. If you fail such a saving throw by 5 or more, you are pushed 1d6 × 5 feet directly away from the source of the saving throw, in addition to any other distance pushed.

DEVILBONE BUTTON

Wondrous Item, Rare (Requires Attunement)

This bone button is found on an article of clothing, such as a shirt or coat, and is carved with the tiny image of a devil. It must be attached to clothing that you wear to attune to it, and you gain a +1 bonus to all saving throws.

Improbable Luck. When you fail a saving throw while wearing the button, you can choose to succeed instead. Once you use this property, you can't use it again until the next dusk.

Protective Bone. While wearing the button, your hit point maximum increases by 5 + your Constitution modifier.

Diabolic Curse. When you finish a long rest, roll a d100. On a roll of 1, the button disappears, and your attunement to it ends. Additionally, a devil with a challenge rating equal to your level + 3 (or 20, whichever is lower) becomes your enemy and seeks to destroy you. The GM determines the devil's details. Each time you use the Improbable Luck property, the chance the button disappears increases by 1.

GREEN RIBBON

Wondrous Item, Rare (Requires Attunement)

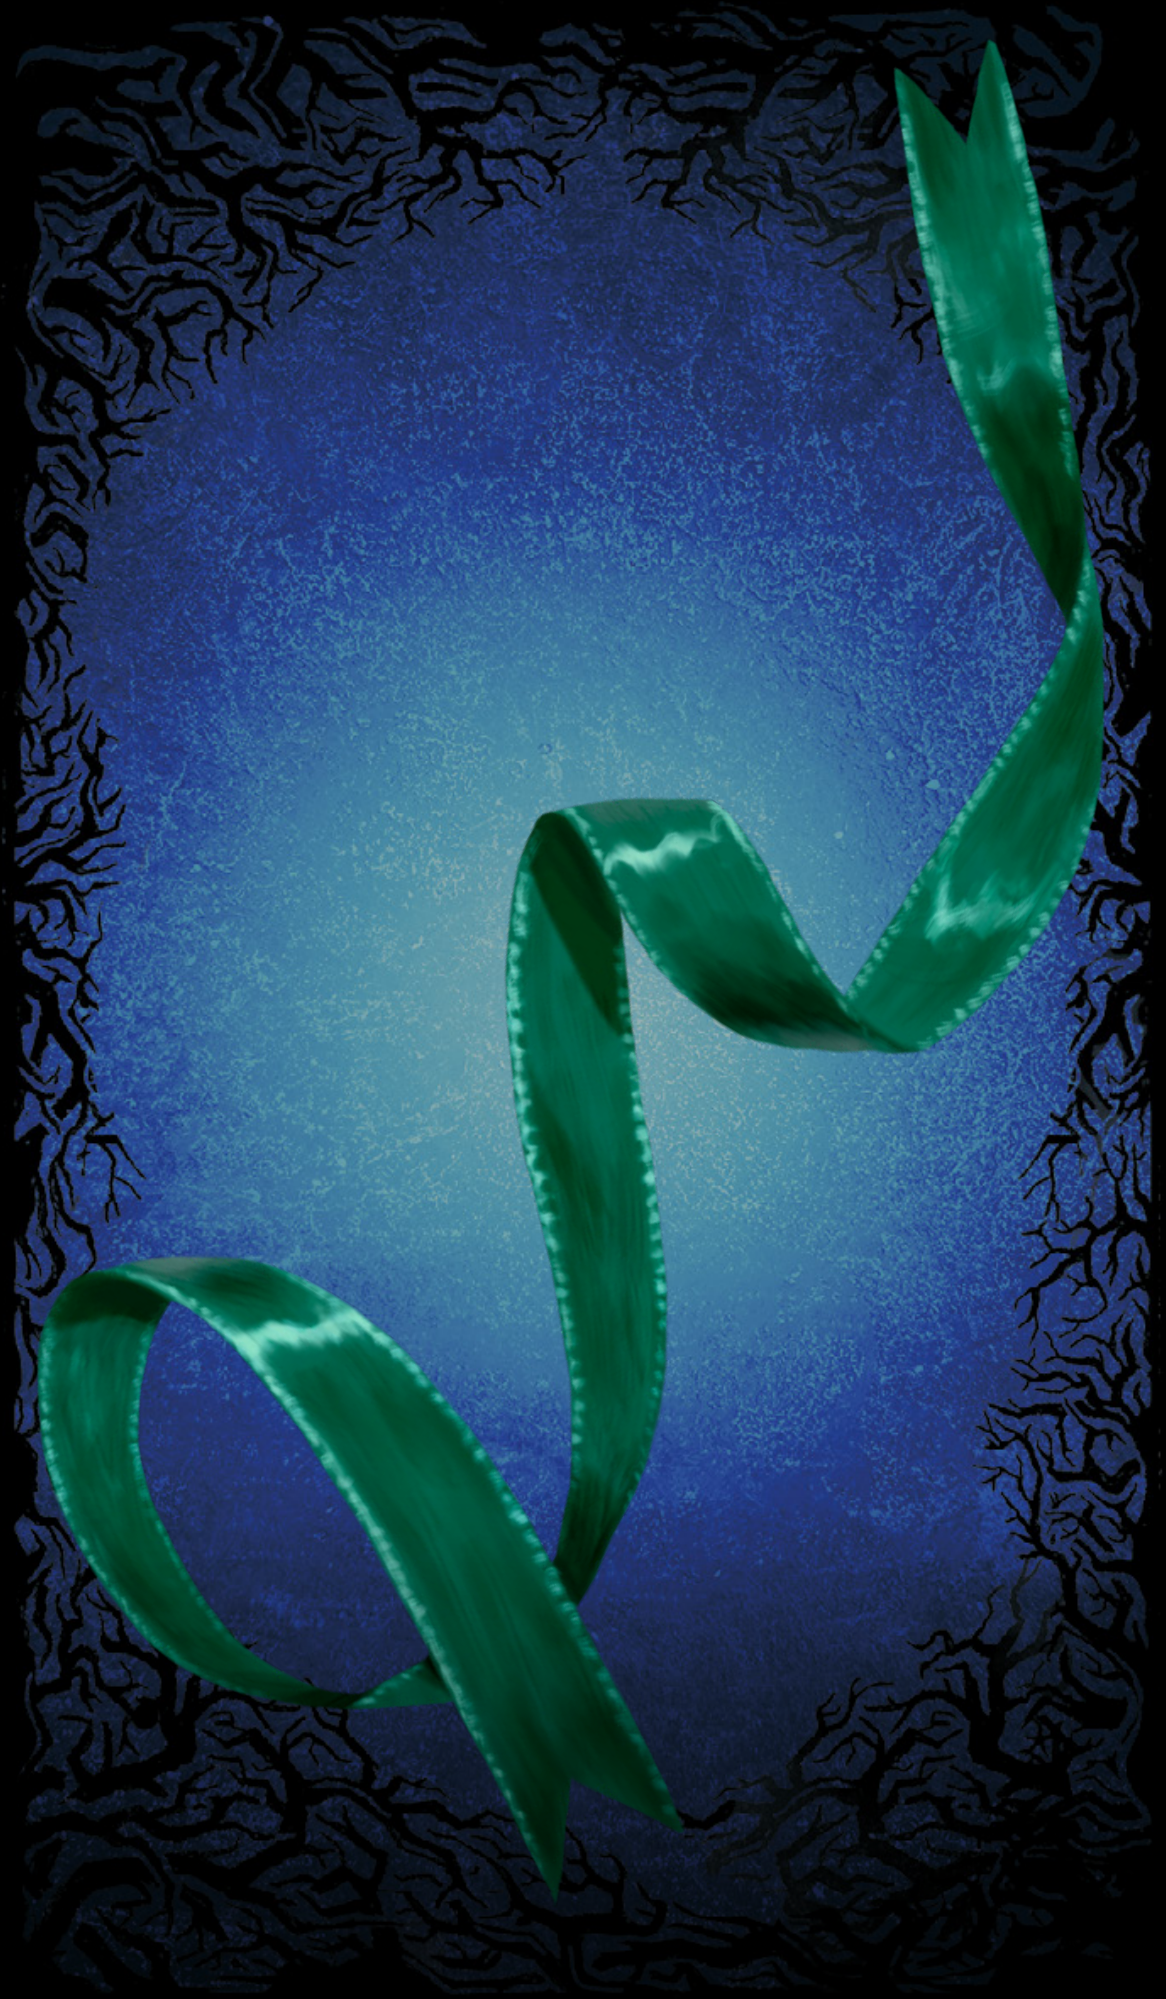

This green satin ribbon is just long enough to fasten comfortably around a creature's neck. Once worn, it feels strangely compelling to leave it in place. While you wear the ribbon, you gain a +5 bonus to death saving throws.

Instant Attunement. If the ribbon is tied around the neck of a creature that has been dead no longer than 10 days and wasn't Undead when it died, the creature returns to life as if by the *Raise Dead* spell and immediately attunes to the ribbon. The creature dies instantly if its attunement to the ribbon ends or if the ribbon is removed.

Ribbon's Mending. When you drop to 0 hit points, you can use your reaction to regain hit points equal to half your level (minimum 1). Once you use this property, you can't use it again until the next dusk or until you roll a 20 on a death saving throw.

Curse of the Ribbon. Each creature within 60 feet of you other than yourself has a -1 penalty to death saving throws. This penalty increases by 1 each time you use the Ribbon's Mending property.

HYPNOVULFEN FIGURE

Wondrous Item, Rare (Requires Attunement)

This carved wooden figurine depicts a black-furred wolf with wild orange eyes and a leering, toothy maw.

While holding the figure, you can use it as a spellcasting focus for your spells. You gain a +1 bonus to spell attack rolls and to the saving throw DCs of your spells.

Hypnovulfen Bite. Your teeth become viciously sharp. You can make a bite attack as an unarmed strike. On a hit, the attack deals 1d6 piercing damage instead of bludgeoning damage.

Hypnovulfen Eye. While holding the figure, you can cast the *Confusion* spell (save DC 14) from it. Once you use this property, it can't be used again until the next dusk.

Cursed Hunger. When you roll initiative, you must succeed on a DC 10 Wisdom saving throw or be unable to use the Attack action or cast spells except to use the figure's properties until you hit a creature with your Hypnovulfen Bite attack. Each time you use the Hypnovulfen Eye property, the DC of this saving throw increases by 2.

JINXED POKER CHIP

Wondrous Item, Rare (Requires Attunement)

This ceramic poker chip is painted with a crocodile's skull on one side. Hoarse laughter echoes faintly whenever it flips.

Jinxed Luck. When you fail an ability check, attack roll, or saving throw, you can use your reaction to flip the chip. Roll a d6. On a 4–6, you succeed on the roll instead. Once you use this property, roll a d20. On a roll of 1–5, the property can't be used again until the next dusk.

Sense Cheating. If you have proficiency with a gaming set, you automatically succeed on ability checks to determine if someone in a game you are playing is cheating.

Cursed Coin. When you roll initiative, you must succeed on a DC 0 Charisma saving throw or become cursed until you finish a short or long rest. While cursed, you subtract 1d6 from ability checks, attack rolls, and saving throws. Each time you use the Jinxed Luck property, the saving throw DC increases by 2.

REVELRY SUIT

Armor (Hide), Rare (Requires Attunement)

This bulky suit is made from natural materials, including fur, canvas, and straw. Its mask is exceptionally oversized and shaped into a sun, smiling in an unsettling way. While you wear this armor, you gain a +2 bonus to AC.

Dancing Dodge. When you fail a Dexterity saving throw and your speed isn't 0, you can use your reaction to succeed on the saving throw instead. Once you use this property, it can't be used again until the next dusk.

Wild Steps. As a bonus action, you can move up to your speed without provoking opportunity attacks.

Dancing Curse. When you roll initiative, you must succeed on a DC 10 Wisdom saving throw or gain the incapacitated condition, and you become incapacitated as you perform a strange folk dance. Each time you use the Dancing Dodge or Wild Steps properties, the DC of this saving throw increases by 2. The DC doesn't increase again until you finish a long rest.

THE BAG

Wondrous Item, Very Rare (Requires Attunement)

This weathered old satchel has three tarnished silver buckles securing its flap. Faint bloodstains mark the inside, and the bag occasionally ripples as though something inside is moving. The bag functions as a *Bag Of Holding*.

Inhabitant. A **Lurker in the Dark** resides within the bag's extradimensional space. If the lurker is reduced to 0 hit points, it vanishes and reappears in the bag at the next midnight. The lurker can only be permanently killed if it is reduced to 0 hit points by a creature holding a toy or stuffed animal once owned by a child. If the lurker is killed, the bag loses its magic, and any contents stored in the bag spill out into unoccupied spaces closest to it.

The Bag's Claw. While holding the bag, you can use a bonus action to command the lurker to lash out with its claw at a creature within 5 feet of you. Make a melee weapon attack using a +7 bonus to hit. On a hit, the target takes 1d10 + 4 piercing damage. If the target is a Medium or smaller creature, it is grappled (escape DC 14). While grappled, the target is restrained until the grapple ends. You can use this property three times, and the bag regains all expended uses daily at dusk.

Lurker's Curse. When you finish a long rest, roll a d6. On a roll of 1, the lurker escapes the bag during the rest, causing mayhem nearby, such as attacking people, causing livestock to sicken, or spoiling provisions.

TOY RIVERBOAT

Wondrous Item, Very Rare (Requires Attunement)

This tiny, brightly painted boat is made in exacting detail, with smokestacks and a paddlewheel that turns, but looks like a child's plaything. Studying it reveals a minuscule but unearthly passenger within the boat's cabin.

Passengers. As an action, you and up to twelve other Medium or small creatures you can see within 30 feet, along with up to 300 pounds of gear per passenger, can shrink to Tiny size and board the riverboat. The riverboat moves across water or other liquids at a speed of 3 miles per hour and doesn't require wind to propel it. This effect lasts for up to 12 hours each day.

Unearthly Passenger. While on water, you can release the riverboat to cast the *Arcane Eye* spell. The riverboat acts as the spell's sensor, moving only across water. Otherwise, you can move it as normal for the spell's effect.

Haunting Curse. When a creature leaves the riverboat, it must make a DC 0 Charisma saving throw. On a failed save, the creature is cursed. While cursed, it has disadvantage on Wisdom and Charisma ability checks, as well as on saving throws to avoid or end the frightened effect. After you make this saving throw, the DC increases by 2. This increase can't happen again until you finish a long rest.

WITHERED HAND

Wondrous Item, Rare (Requires Attunement)

This desiccated hand, suspended on a loop of leather cord, is covered in tattoos that seem to depict dreadful hexes. Its fingers curl slightly when glimpsed from the edge of your vision. While you hold or wear the hand, you gain a +1 bonus to spell attack rolls and spell save DCs.

Withering Grasp. When you make an unarmed strike, you can extend your reach to 30 feet by conjuring threads of magenta jinx magic. On a hit, the strike deals necrotic damage instead of bludgeoning damage. If the target is a creature no more than one size larger than you, it is grappled (escape DC = your spell save DC or your Charisma modifier, your choice). The grapple ends if you use this property to attack a different target.

Withering Curse. Each time you use the Withering Grasp property, your hit point maximum is reduced by 1. This reduction can't occur again until you finish a long rest. The hit point maximum lost to this curse can't be restored by any means, including finishing a long rest.

A

DRAUGHT OF THE RED HUNGER

Potion, Legendary

When you drink this potion, you gain an insatiable thirst for blood and the effect of the *Vampiric Touch* spell as if cast at 6th level. This effect lasts for 1 minute and doesn't require concentration. On subsequent turns, you can make the melee spell attack as a bonus action instead of an action.

Heightened Potency. For the duration, as an action, you can gain the effects of the *Gaseous Form* spell (no concentration required), while you aren't in sunlight. You can revert to your normal form as an action.

© 2025 Avantris LLC

ELIXIR OF FOGWALKING

Potion, Rare

When you drink this potion, your breath billows out in clouds of fog. For the next 10 minutes, fog and smoke do not obscure your vision. During this time, you can cast the *Fog Cloud* spell up to three times (no concentration required). You can also cast the *Misty Step* spell up to three times, as long as your teleportation begins or ends in an area of fog.

Heightened Potency. The potion's duration becomes 1 hour, and when you use this potion to cast the *Misty Step* spell, you also gain resistance to bludgeoning, piercing, and slashing damage until the start of your next turn.

HAINT HOOCH

Potion, Rare

When you drink from the jug, you become insubstantial for 1 minute. While in this state, you can move through creatures and objects as if they were difficult terrain. If you end your turn inside an object, you take 1d10 force damage.

Heightened Potency. For the duration, you gain a flying speed equal to your walking speed.

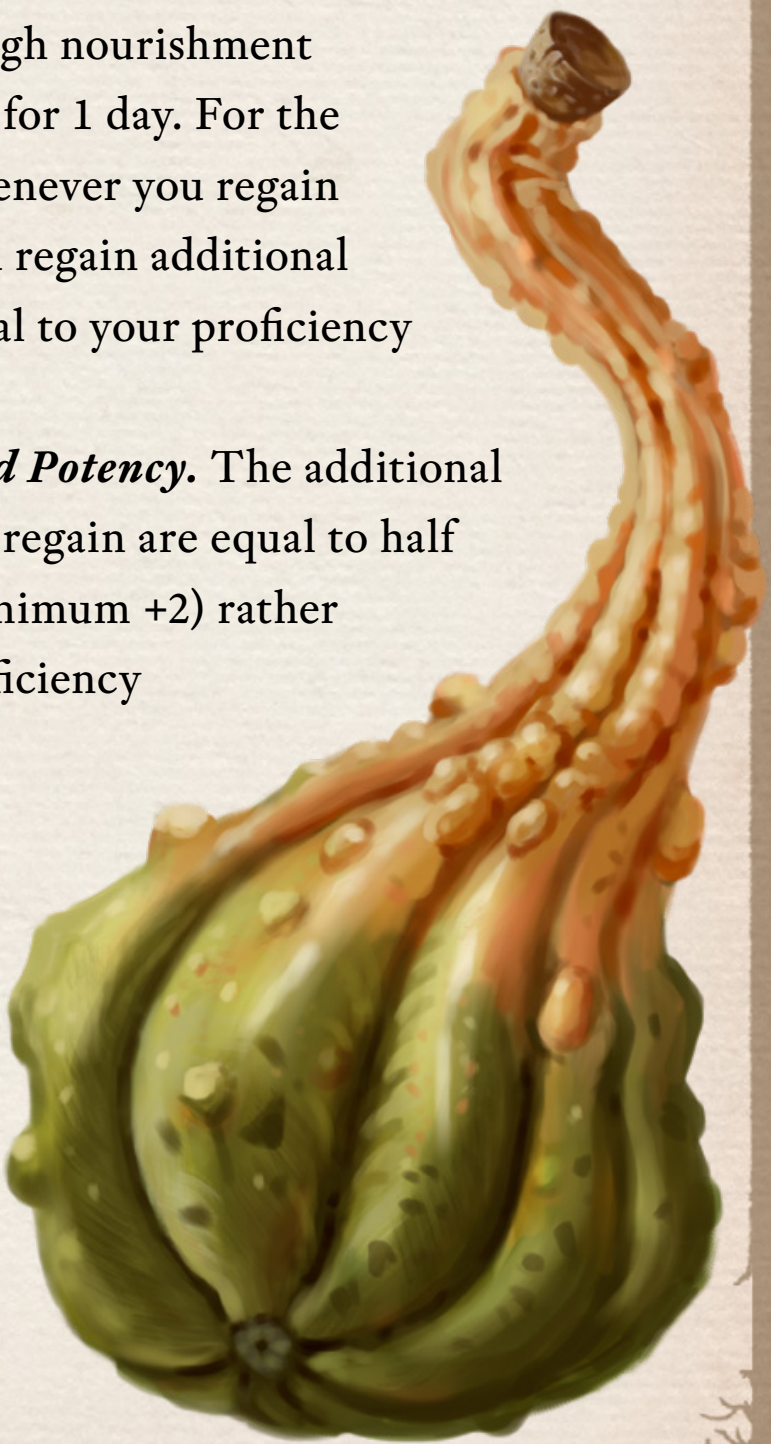

© 2025 Avantris LLC

HARVEST BREW

Potion, Rare

When you drink this potion, you are filled with good health and vitality. It provides you with enough nourishment to sustain you for 1 day. For the next hour, whenever you regain hit points, you regain additional hit points equal to your proficiency bonus.

Heightened Potency. The additional hit points you regain are equal to half your level (minimum +2) rather than your proficiency bonus.

JINXED RUM

Potion, Uncommon

When you drink this rum, your luck takes a peculiar turn for 1 hour. For the duration, whenever you make an ability check, attack roll, or saving throw, roll a d4. On a 2–4, add the result to your roll. On a 1, roll an additional d20 and use the lowest roll.

Heightened Potency. Roll a d6 instead of a d4.

© 2025 Avantris LLC

LILYPAD TONIC

Potion, Common

When you drink this potion, you gain the effect of the *Polymorph* spell (no concentration required), transforming into a **Frog** for 1 hour.

Heightened Potency. The potion contains six doses instead of one.

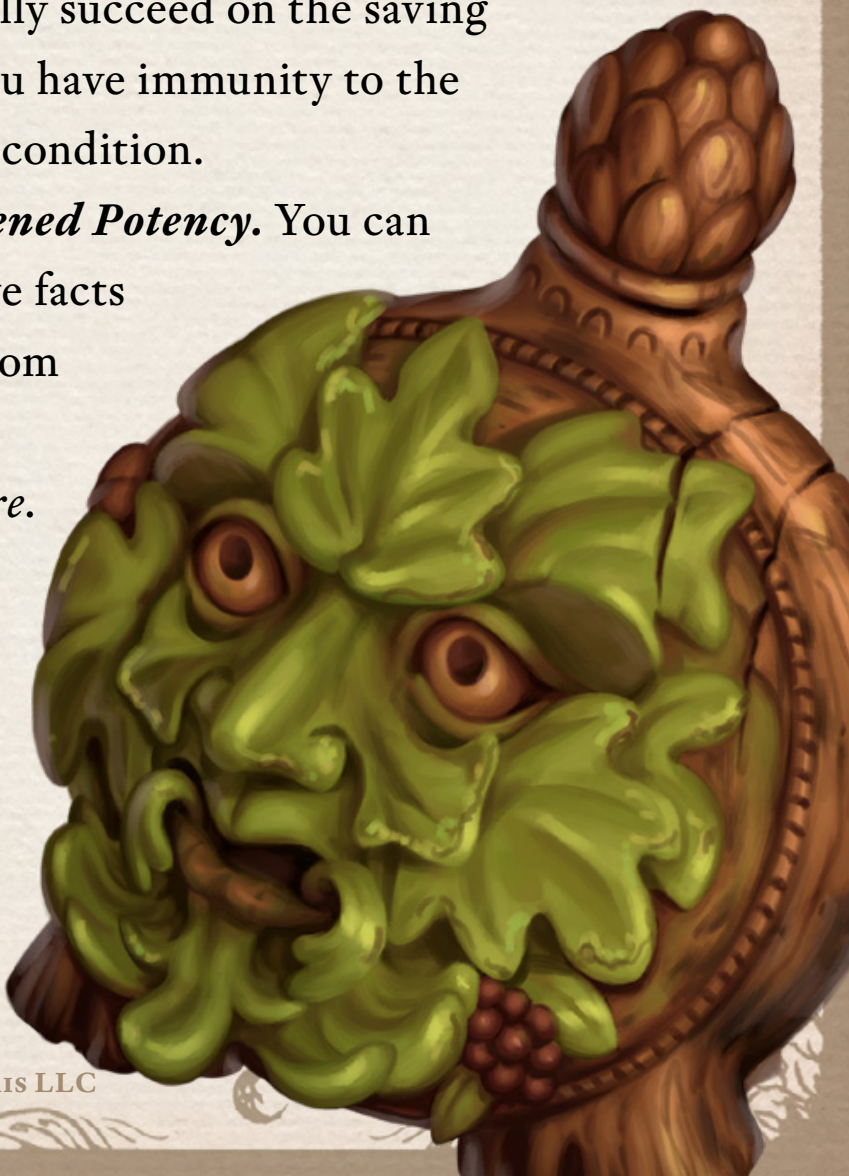

NECTAR OF THE GREEN MAN

Potion, Very Rare

When you drink this potion, you gain the effect of the *Commune With Nature* spell. However, your experience is filled with terror and dread, and you must make a DC 15 Wisdom saving throw. On a failed save, for the next 8 hours, you have disadvantage on attack rolls and ability checks while you can see a forest. You automatically succeed on the saving throw if you have immunity to the frightened condition.

Heightened Potency. You can learn all five facts available from *Commune With Nature*.

© 2025 Avantris LLC

NIGHTWATCHER POTION

Potion, Rare

When you drink this potion, you become an unwavering sentry for 24 hours. For the duration, you have darkvision out to a range of 120 feet, magic can't put you to sleep, and the first time you gain a level of exhaustion, reduce the number of levels gained by 1.

Heightened Potency. The potion's duration increases to 72 hours.

SIGHT OF SIN

Potion, Rare

When you drink this potion, you gain the effect of the *Detect Magic* spell (no concentration required) for 10 minutes. During this time, you have advantage on Wisdom (Insight) checks to discern hidden motives or detect deception.

Heightened Potency. For the duration, you also gain the effect of the *See Invisibility* spell.

© 2025 Avantris LLC

REAPER'S DELIGHT

Potion, Rare

When you drink this potion, you are filled with intense and violent vigor, gaining 3d8 temporary hit points. For 1 minute, when one of your enemies dies within 30 feet of you, you can use your reaction to regain 1d8 hit points.

Heightened Potency. For 1 minute after drinking this potion, when you hit a creature that has less than half its hit points remaining with an attack roll, the creature takes an extra 1d8 necrotic damage.

TINCTURE OF MOURNING

Potion, Rare

When you drink this potion, you weep with inexpressible sorrow for 1 hour. During this time, you are immune to the charmed condition, but your continuous wailing prevents you from remaining silent. If you are charmed when you drink the potion, the condition is suppressed for the duration.

Heightened Potency. Friendly creatures within 10 feet of you also gain immunity to the charmed condition for the potion's duration.

© 2025 Avantris LLC

SILENCE OF THE DROWNED

Potion, Uncommon

When you drink this potion, you gain the effect of the *Silence* spell (no concentration required), centered on yourself in a 20-foot radius for 10 minutes. For the duration, squid tentacles emerge from your mouth.

Heightened Potency. For the duration, you can spit ink from your mouth as a bonus action. Choose one creature within 30 feet of you. The creature must succeed on a DC 13 Dexterity saving throw or gain the blinded condition until the start of your next turn. On a successful save, the creature is immune to this property for 24 hours.

WYTCHWOOD SAP

Potion, Rare

As a bonus action, you can coat one weapon or up to three pieces of ammunition with this sticky sap and choose a damage type: acid, cold, fire, lightning, poison, or thunder. A creature that takes damage from the coated weapon or ammunition takes an extra 3d8 damage of the chosen type. Once applied, the sap retains its potency for 1 minute or until it deals damage, whichever comes first.

Heightened Potency. If you roll the same number on two or more of the d8s for the extra damage, another creature of your choice within 30 feet of your target takes 2d8 damage of the same type.
